The Filthy Truth

Andrew Dice Clay

The Filthy Truth Andrew Dice Clay

From Andrew Dice Clay, the “Undisputed Heavyweight Comedy King,” comes the unapologetic and uncensored autobiography fans have been waiting for.

Andrew Dice Clay’s raw and uncensored stand-up comedy has shocked and entertained audiences for decades and continues to do so to this day. When he released his debut album, *Dice*, in 1989, the parental advisory label simply read “Warning: This album is offensive.” His material stretched the boundaries of decency and good taste to their breaking point, and in turn he became the biggest stand-up comic in the world.

But Dice’s meteoric rise and spectacular fame brought on a furious backlash from the media and critics. By the mid-nineties, though still playing to packed audiences, the turmoil in his personal life, plus attacks from every activist group imaginable, led him to make the decision to step out of the spotlight and put the focus on raising his boys.

The Diceman was knocked down, but not out. Taking inspiration from what Frank Sinatra once told him—“You work for your fans, not the media. The media gets their tickets for free”—Dice has bounced back with critically acclaimed roles and is once again playing to sold-out audiences.

Filled with no-holds-barred humor and honesty, *The Filthy Truth* sets the record straight and gives fans plenty of never-before-shared stories from his career and his friendships with Howard Stern, Sam Kinison, Mickey Rourke, Sylvester Stallone, Axl Rose, and countless others.
