DARIEN COOPER firmly believes that God intends for the joy of marriage to the last "till death do us part." She has found biblical principles for a lasting, happy marriage, and she shares these principles in this book. Countless marriages have been strengthened as wives have learned to apply these biblical truths that grew out of a popular lecture series Mrs. Cooper gave for several years.

Mrs. Cooper points out that the divorce rate, even among Christians, is increasing rapidly--largely, she believes, because scores of women each day say, "I do," and step into a career with heavy responsibilities but without adequate training. *You Can Be the Wife of a Happy Husband* has helped thousands of women clearly understand their jobs and helped them toward better marriages.

"Our marriage has improved 100 percent," says one of these women. "We are working together as a team. The best part is that once I started living my faith, the results were immediate."

"I'm happier and freer than ever before," says another. "I feel like the weight of the world has been lifted from me!"
