In the conclusion of Daughter of the Wildings, Silas and Lainie recover from their ordeal in Granadaia, while knowing that an evil is at work that threatens the freedom of the Wildings and that this peaceful interval is no more than a brief illusion. Then the unthinkable happens, the battle begins, and Lainie, the daughter of the Wildings, and Silas, the man she has claimed for herself and for the land, have to draw on all their power and strength - and on the life of the land itself - to protect their beloved Wildings and the people who make it their home.
