Indoor Container Gardening: Grow a Bounty of Herbs, Fruits, and Vegetables in Your Home Betsy Smith

Indoor Container Gardening Grow a Bounty of Herbs, Fruits, and Vegetables in Your Home Before the existence of man, there was the garden, that is, according to the biblical account of creation. No wonder, man's love for gardens is deeply imbedded within him. After all, that was his first residence. Not only was that, gardening his first task or work. It did not come as a surprise then that when the age of civilization came and man has to leave his natural habitat for manmade dwelling places, he tried to bring with him the beauty of nature he grew up with and was very much accustomed to. He created indoor container gardening. Today, indoor container gardening is not just man's attempt to replicate nature. It has turned into many things for man, all of which is profitable for him – physically, mentally, emotionally, socially, and even financially. This book is a one-stop guide on indoor container gardening. Learn the basics as well as the more advanced techniques on indoor gardening. Here are some of the things you would find in this book: Fundamental information and principles of indoor container gardening. The wonders and benefits of having your garden inside your home. The traits of a good gardener and the essential items needed to start an indoor garden. The basic steps in designing and maintaining an indoor garden. The step-by-step guidelines on having an indoor garden of vegetables, fruits and herbs. The ultimate guide in caring for your indoor plants. The latest trends in indoor container gardening. Plus, a bonus chapter on what lies ahead for indoor container gardening. Indoor container gardening is fun and doable. Do not miss the opportunity of having beautiful scenery right inside your home. Plus, eat healthy with the produce of your garden. Enjoy the numerous benefits that indoor container gardening can bring to you. Start your garden today!
