Iwa-Pele (The Metaphysical Foundations of Ifa Book 1)

Fa'lokun Fatunmbi

Iwa-Pele (The Metaphysical Foundations of Ifa Book 1) Fa'lokun Fatunmbi

Focused on the indigenous African belief that ethics and spiritual growth are irrevocably linked (Iwa Pele), this book provides clear direction for those interested in the spiritual path of Ifa. Filled with Techniques and Understandings for Beginners and Adepts alike, Iwa Pele continues to be a "Must Have" book for Western Ifa Followers to understand how and why the tradition is practiced.

It is with great excitement that we welcome this second edition of what has become a classic in Yoruba literature.

In this ground breaking book, Babalawo Falokun Fatunmbi continues the work of Yoruba writers such as Dr. Wande Abimbola and others in unmasking the deep cosmological and theological principles of the Yoruba people. This exposition of the theology of the Yoruba people challenges the prevailing prejudicial assumptions regarding the depth, beauty and relevance of African theological thought.

Titled "Iwa Pele," this book focuses on the indigenous African belief that ethics and spiritual growth are irrevocably linked. Written in a highly accessible manner and in a style easily assimilated by the Western mind, this great work also provides sensible direction for those wishing to embark on the spiritual path of Ifa. Each chapter provides instruction for the adept on Ifa/orisa veneration as done in the traditional manner.
