Love & Recipes Bethany Lopez

Bethany Lopez has loved writing for as long as she can remember, but her love of cooking came a little bit later in life. In *Love & Recipes*, she combines the two into one fun cookbook. With recipes ranging from easy to difficult, she's incorporated dishes for every home cook. And, because each dish comes from the pages of her fiction novels, each recipe references back to the book and/or character from which the dish derived. Whether making a quick dinner for two, or looking for that perfect dish to bring to your family's holiday dinner, *Love & Recipes* has the dish for you!
