**Pragmatic Approaches to Aphasia Therapy (Exc Business And Economy (Whurr))** Sergio Carlomagno  
The functional approach to the treatment of aphasia is embodied in the methods and techniques of Promoting Aphasic's Communicative Effectiveness (PACE), which has had an international influence on the way therapists approach the rehabilitation of aphasia patients. However, there is a shortage of research into the approach and little up-to-date practical guidance on its application. D. Carlomagno's concise book aims to provide a guide to the use and efficacy of PACE methodology which should be useful for aphasia therapists.
