THE ARMY THE DUCHY OF WARSAW 1807-1814 was first published as 'The Army of Poland 1807-14' in 1980 and has been out of print since 1984. This e-book edition has been revised and updated with new research which was not available or was incomplete when the book was last revised in 1983. It was always the intention that this book should be a study of the uniforms of the army of the Duchy of Warsaw during the Napoleonic wars and therefore does not include much detail about the Polish regiments and Legions in French service; these units and their uniforms are covered in other volumes in the series. Totally revised new edition with new illustrations in colour. Now 130 pages.
