"The Boy and the Red Balloon" is a first in a series of children's books inspired by my son, Kian. He, as with any child, is the epitome of unconditional love . With love, one will overcome any hurdle. It is the story of a journey the Balloon takes to understand as it interacts with interesting characters along the way. Yet, it has many layers that deal with emotions, simple understanding of surroundings, dealing with defeats and triumphs but never giving up. The message is quite simple: BELIEVE.
