The Technology M&A Guidebook Ed Paulson

The comprehensive, practical guide to buying, selling, and merging technology companies

The Technology M&A Guidebook provides executives and entrepreneurs interested in acquiring or selling a technology company with everything they need to know about the entire M&A process, from identifying target companies or buyers to financial analysis, due diligence, tax issues, valuation, and legal considerations.

This book explores specific issues that are unique to technology M&A: assessing the impact of technology sector high-change rates; market-driven product development; company culture issues; engineers as managers and managers as engineers; consumer and technical product differences; technology marketing issues; intellectual property considerations; Internet interaction; and more. It also provides detailed analyses of factors involved in acquiring companies from different sectors, including:

- * Semiconductor equipment and chip manufacturers
- * PC/workstation and related hardware companies
- * Software businesses
- * Data networking and telecommunications firms
- * Internet-related companies

Don't enter the M&A process unprepared. Let The Technology M&A Guidebook help you beat the odds and make your sale or acquisition a complete success.

From reader reviews:

Carrie Grogan:

With other case, little folks like to read book The Technology M&A Guidebook. You can choose the best book if you like reading a book. Given that we know about how is important a new book The Technology M&A Guidebook. You can add know-how and of course you can around the world by just a book. Absolutely right, mainly because from book you can realize everything! From your country until foreign or abroad you may be known. About simple matter until wonderful thing you are able to know that. In this era, you can open a book or even searching by internet unit. It is called e-book. You can utilize it when you feel fed up to go to the library. Let's study.

George Sanders:

Playing with family in the park, coming to see the coastal world or hanging out with pals is thing that usually you might have done when you have spare time, and then why you don't try thing that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love The Technology M&A Guidebook, you could enjoy both. It is excellent combination right, you still want to miss it? What kind of hangout type is it? Oh occur its mind hangout folks. What? Still don't obtain it, oh come on its known as reading friends.

Hermelinda Anthony:

In this period globalization it is important to someone to find information. The information will make you to definitely understand the condition of the world. The health of the world makes the information better to share. You can find a lot of sources to get information example: internet, paper, book, and soon. You will observe that now, a lot of publisher this print many kinds of book. The actual book that recommended for you is The Technology M&A Guidebook this e-book consist a lot of the information of the condition of this world now. That book was represented how can the world has grown up. The language styles that writer make usage of to explain it is easy to understand. The particular writer made some exploration when he makes this book. This is why this book ideal all of you.

Joy Rodriguez:

Many people spending their time frame by playing outside with friends, fun activity along with family or just watching TV all day long. You can have new activity to shell out your whole day by reading through a book. Ugh, do you think reading a book will surely hard because you have to bring the book everywhere? It fine you can have the e-book, getting everywhere you want in your Smartphone. Like The Technology M&A Guidebook which is having the e-book version. So , try out this book? Let's notice.
