Regina has just moved back to her hometown, Dark Rock, Texas after being away at college. While at college, Regina studied witchcraft as well as her school work. She hasn't returned alone however, fellow witches Angela and Summer have joined her. Though they are not evil by any means, they are not ones to be messed with. Reverend Bannerman is the town's preacher who isn't thrilled with a group of witches living in his town. When a series of ritualistic and Satanic murders takes place, Bannerman gets the town worked into a frenzy of Satanic panic. The three witches must stand together in the face of fear, ignorance and pure evil while being attacked from all sides. Through it all, there is only one way they can survive and save the people of Dark Rock.
