## **A False History** Mr A K Alliss

Are you paying attention? Good. Because this story might sting. Living up to expectations is never easy, especially when they're self imposed. This is never more true than for this story's protagonist. Written in a confessional style, A False History is a road drama that is relatable to anyone who has ever questioned the outcome of their life.

Unflinching, compelling & honest, it is an intimate looks at the decisions and events that shape us.

Drawing inspiration from Kerouac's "On The Road", AK Alliss delivers adventure, wit, poignancy and heart in this debut novel.
