## Heir of Merlin (Serene's Awakening Book 1) Q.S. Khan

"Plain Jane" Serene Calloway is lost in mourning over the death of her family. Tired of being a loner, and always feeling invisible, Serene decides that she's finally had enough of wallowing in her own pity. She just wants to fit in. Starting on her journey of self-discovery, Serene finds out that she's capable of much more than she thought as she settles into her new life in the small town of Kalispell, making friends along the way. But when Serene is attacked by evil forces from a magical world she never knew existed, she must embrace the fact that she is not destined to live an ordinary life.

Blake is pompous and condescending, and yet Serene can't help falling into his unnaturally green eyes like a moth to a flame. How can he infuriate her so much and still manage to make her knees go weak?

There have been many stories written about Merlin, the most powerful wizard of all time. Now it's Serene Calloway's turn to shine as the great descendant of Merlin, and last of his bloodline.

Irresistibly compelling, suspenseful, and romantic, Heir of Merlin: (Book 1) Serene's Awakening, captures the reader's heart as they embark on the journey with Serene, in finding herself and fulfilling her destiny. But can Serene find love in the process?
