Hijikata Tatsumi and Ohno Kazuo (Routledge Performance Practitioners)

Sondra Fraleigh, Tamah Nakamura

Hijikata Tatsumi and Ohno Kazuo (Routledge Performance Practitioners) Sondra Fraleigh, Tamah Nakamura

This compact, well-illustrated and clearly written book unravels the contribution of two of modern theatre's most charismatic innovators. *Hijikata Tatsumi and Ohno Kazuo* is the first book to combine:

- an account of the founding of Japanese butoh through the partnership of Hijikata and Ohno, extending to the larger story of butoh's international assimilation
- an exploration of the impact of the social and political issues of post World War Two Japan on the aesthetic development of butoh
- metamorphic dance experiences that students of butoh can explore
- a glossary of English and Japanese terms.

As a first step towards critical understanding, and as an initial exploration before going on to further, primary research, this addition to the *Routledge Performance Practitioners* series is unbeatable value for today's student.
