She thought she had married her soulmate. But when Carol Kennedy could no longer tolerate her husband's reckless womanizing and out-of-control spending, the artist, therapist and mother of two had to let him go. Just weeks after their divorce, Carol was found in her Arizona ranch home--bludgeoned to death with a golf club. Her ex, Steven DeMocker, was the prime suspect. Yet it took the authorities months to arrest him--and years to convict. . .

Packed with twists and turns, this powerful real-life account reveals every bizarre detail of this compelling case. Bestselling author and award-winning journalist Caitlin Rother presents an unforgettable story of love turned to obsession, and a family torn apart forever.
