Birds of the Masai Mara (WILDGuides) Adam Scott Kennedy

Birds of the Masai Mara is a remarkably beautiful photographic guide featuring the bird species likely to be encountered by visitors to the popular Masai Mara National Reserve in Kenya. With an eye-catching layout, easy-to-use format, and no-jargon approach, the book contains more than 300 stunning photographs covering over 200 species of birds and is accessible and informative, rather than purely identification-based. A handy, brief introduction provides visitors with background on the habitats of the national park, and the guide's habitat-based approach makes it simple to identify any bird species according to where it is found. Based on the firsthand experiences of the author, *Birds of the Masai Mara* is an ideal companion to all those visiting the national reserve and to bird aficionados interested in learning more about the region.

- The only photographic guide to focus solely on the bird species of the Masai Mara National Reserve
- More than 300 remarkable photographs covering over 200 species
- Accessible text explores bird species behavior and species etymology
- A brief and handy introduction examines the habitats of the Masai Mara
- Easy-to-use habitat-based layout makes exciting birdwatching easy
