The steamy and dramatic conclusion to the Blinding Love series.

Blinding Love 1 is FREE!

The moment she flicks her eyes at me, right after glancing at the paper that carries the paternity test results, I know I've drawn the short straw, a part of me dying at that moment.

All those hours I spent with Lucas were stolen, all the months I thought I was his father, just a waste of time. I was fooling myself.

The moment has come. I have no reason left to spend another minute in this house I called home for the last three years.

Now seeing everything snatched out of my hands, the humble little life I could have had with them, I feel it's done. There's nothing more for me to look forward to.
