'An excellent book, well written with each chapter building logically on the last, allowing students to build their knowledge in manageable steps.'

Stephen McNamee, University of Ulster

The world's best-selling textbook on book-keeping and accounting, *Business Accounting Volume 1* continues to provide an indispensable introduction for students and professionals across the globe. It is renowned for its clarity, with easy-to-understand language and a plethora of examples to aid your understanding.

In the 13th edition, which is fully compliant with International Financial Reporting Standards (IFRS), all topics have been fully updated, including areas such as computerised accounting, banking, and accounting concepts and assumptions. With a brand new Chapter 2 on double entry, and more than 100 new review questions and activities, this edition contains all you need to understand and consolidate the key concepts in accounting.
