NEW VERSION - FREE GOOGLE - 2014

- SEARCH Amazon for the NEW, 2014, VERSION of this BOOK - this is the OLD (2013) Version.

Get Free Stuff from Google. *Search Engine Optimization*, or *SEO*, is the art and science of getting to the top of Google. Did you know that Google provides a cornucopia of amazing free stuff for Small Businesses ranging from free websites to free email alerts to free learning resources? Most marketers realize the importance of getting their company or organization to the top of target Google searches, but few are aware of all the fun, informative, and free ways that Google makes this process easier than ever. This book pulls back the curtain on the Googleplex and identifies everything free from Google on SEO (Search Engine Optimization), SMM (Social Media Marketing), and PPC (Pay-per-click advertising, or AdWords).

Wherever you are in your free Internet marketing journey - beginner, practitioner, or even expert - Free Google will delight you with a treasure trove of free blogs, tools, tricks and tips about getting something for nothing from the mighty search giant. **Why this Book is Different.** Most SEO, SMM, or AdWordbooks are either lost in the clouds or down in the technical details that only geeks can love. This book is different: it approaches internet marketing from a practical marketing perspective, and gives practitioners hands-on ideas that they can deploy step-by-step. Specifically designed for small business marketers, this book gives practical advice that won't break your budget (since everything is free!).
