Ordinary Lives Extraordinary Mission: Five Steps to Winning the War Within by John R. Wood (15-Dec-2012) Paperback John R. Wood

These are difficult times for the Catholic Church and the United States of America. There is only one solution to the problems we face...saints! Becoming a saint is a choice, and we must begin choosing the saint inside of us. The biggest crisis of our time is not economic, health care, or vocations, but is an identity crisis. We have forgotten our mission to become saints and forgotten our story as Catholics. We must rediscover that mission and hold each other accountable to accepting responsibility for that mission. Business as usual is not going to cut it. We need heroic Catholicism. We must stop talking, and start walking...stop crying, and start sweating...stop defining ourselves by our sins, and start realizing we are saints in the making. Everything we need to accomplish our mission is in the Church...but the Catholic Church is a sleeping giant. It is time we wake the sleeping giant! This book is a five step guide to choosing the saint within you. The world doesn't need another John Paul II or Mother Teresa. The world needs you. Your ordinary life has an extraordinary purpose.
