The MacLomain Series- Early Years, including Highland Defiance, Highland Persuasion and Highland Mystic, are now available in a boxed set.

**HIGHLAND DEFIANCE-** Mildred, a young woman living in New England during the onset of World War II, worries about her family. What is to come? Little does she anticipate change is to come not from war, but from an unexpected trip back in time to medieval Scotland. Laird Adlin MacLomain will never forget the moment he lays eyes on her. Mildred redefines the man he thought he was. Her quick wit and perseverance humble his natural arrogance. Her sensuality cripples his defenses. The maddened determination of a rival chieftain threatens their very existence. Caught together in time, they must find a way to evade the mighty MacLeods and keep peace in the Highlands.

**HIGHLAND PERSUASION-** Iosbail MacLomain will do whatever it takes to bring Laird Alexander Sinclair to his knees. Even if it means she has to travel through time to eleventh century Scotland and manipulate a king into marrying her off to the enemy. What she doesn't anticipate is a bitter rivalry between King Edgar and Alexander Sinclair. It seems the man she just married is by birthright a threat to the throne. Their lives on the line, Alexander and Iosbail are forced to flee across the country. Fraught with risk, adventure and wild, unexpected desire they struggle against overwhelming odds.

**HIGHLAND MYSTIC-** Alan Stewart loves the lasses. Beautiful all, he's never been one to settle. Until, that is, Caitriona appears. Shy yet alluring, her unexpected and rare gift gains his respect. But Caitriona is not who she seems. Her fate was foreseen long before birth and so important it will impact all future MacLomains. When dreams of Alan begin, she knows the time has come. But how to convince a Highland laird from another century that he must die for her? Especially when it soon becomes apparent that she couldn't bear his death. When their paths cross with Stephen and Arianna of the Broun clan, a powerful prophecy begins to unravel.

These books contain strong sexual content and are recommended for a mature audience.
