This book is for you if you have ever wondered about BDSM practices and sexual servitude. The Slave Factory was ranked in the Amazon Hot 100 List of New Releases for erotica - See why!

The Slave Factory is Volume One of **The Slave Factory Trilogy**. Volume Two: **The Slave Factory: Exposed!** Volume Three: **The Slave Factory: Total Power Exchange**

"I think I know what you are referring to," said James, after Tonya had asked him if he had ever heard of *The Slave Factory*. "If you mentioned *Per il piacere del Maestro* to a hundred thousand different people around the world, you would be hard pressed to find one person who would know what you're talking about," declared James.

This is how **The Slave Factory** begins. It is the story of Tonya's journey of self-discovery as she and an eclectic group of fellow students undergo six-months of focused and brutal reshaping, guided by the Masters and Mistresses of the arts of sex, bondage, discipline, and submission and the love to serve within the walls of a place known only as The Academy.

Each student spent years under the watchful eye of the secret company that traced its origins to ancient history and beyond. Only the best were selected from the final review of candidates, only the best of those were selected to be trained and sold as slaves to the wealthy and the powerful. **The Slave Factory** trains the students in all aspects of BDSM, Sex, and Social Acceptability.

Question: Would you sell yourself into a year of sexual and submissive servitude for a few million dollars? What limits would you impose (if any) on what your Master demands from you?

The Slave Factory is **over 300 pages** of sex, bondage, and maybe a little romance tossed in here and there. One reader stated "*It was a good read. Well told and fast paced. Once I got started on it I was a 100 pages into it before I realized it.*"

Caution: This story contains scenes involving explicit sexual contact and numerous depictions of BDSM activities. Recommended for Adults eighteen or over.
