Diary of a Nymphomaniac : Thin Walls CJ Spade

Everly is a 24 year old nymphomaniac who has a sensational lust for sexual deviance and just can't control herself when it comes to matters of sex. As she soon finds out, living with her best friend might not be as easy as she thought. Once Everly discovers just how thin the walls of her shared home are, she finds it hard to contain her animal urges as her sexual appetite is being teased night after night by the sounds of sexual carnage coming from the other side of the wall. Being a nymphomaniac can be hard sometimes but this type of torture can't last for long before it is acted upon. While she has never indulged sexually with her best friend Megan or her boyfriend Chase, Everly starts to wonder what it might be like as she eagerly listens to her friend's ferocious sexual escapades on the other side of that thin wall.
