“The AutoBodyography” is a true-to-life story (fictional reality) about a girl born enslaved, Roseann Jacobs, who vowed to be a free woman—Libra Lovelle—at all costs. This is a tale about the grisly undersociety of sex: prostitution, stripping and porn. This is an ultravivid look deep inside the mind of a young woman who is totally consumed by the need to be independent, never truly realizing that her dependence on the sex trade has become her master. Roseann Jacobs is a child molestation/rape victim turned underage stripper/escort. Libra Lovelle is her hardened exotic dancer/porn star alter ego hell bent on never being a victim again. This is a story of neo-slavery and the high costs of freedom. The chattel slaves used to “follow the drinking gourd” ... Libra Lovelle, however, uses her Fly Body to chase it.
