Skye Malone is tough, and has had a rough life. She grew up on her family's small farm, but when her parents died she was left to fend for herself. She needs to make some money to get her out of the trailer park where she falls asleep every night to the sound of meth heads fighting and screaming. Her only hope is that she can convince the owner of the local ranch to give her one of their **coveted well paying ranch hand jobs**.

Aaron Powell is the **oldest son of the multi-million dollar Powell Ranch dynasty**. He knows something is different about the girl who has approached him for a job on the ranch. He's skeptical that such a pretty young girl can handle the grueling workload of a ranch hand, and has to decide whether to stick out his neck for her, go against his father's wishes, and grant her the opportunity.

The day of her interview, Skye also meets Ben, the seasoned ranch hand and the sparks between them begin to fly immediately.

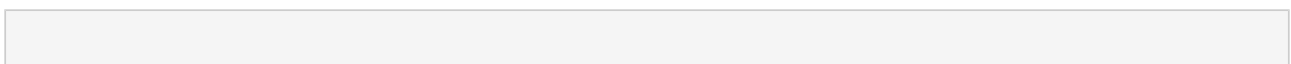

Skye feels an intense attraction to both men, but soon realizes that there may be darker sides to both of her suitors.

Will Skye be able to handle the job?

Who will win her affections? The rugged seasoned ranch hand Ben, or the wealthy handsome heir to the ranch, Aaron?
