This is Book 5 in the exciting new series of full-colour "Pocket Walks", being small, practical sized guidebooks aimed at the less serious Rambler. Full colour photographs and colourful sketch maps accompany each of the well described walks, with the bonus of making it an attractive souvenir of the area. Principal feature is that all walks are less than five miles in length (though averaging 4 miles each, they are all very definitely worthwhile outings), making them ideal for families, leisure walkers, and others constrained by either time or other limitations. Concise route descriptions are complemented by ample background information. This title deals with Malhamdale, one of the most popular areas of the Yorkshire Dales National Park. Twenty superb walks use starting points such as Malham, Rylstone, Gargrave and Embsay. Places visited include Malham Cove and Tarn, Gordale Scar, Embsay Crag and Airton. This title is launched in unison with 3 other neighbouring Yorkshire Dales titles, covering Nidderdale, Upper Wharfedale and Lower Wharfedale.
