Never recovering from her past heartache, Simone is exactly what her younger sister calls her; a lonely bitch taking her insecurities out on the people around her. Until she saw Clyde...and he wanted her. He wanted her. And no one ever wanted her. Attempting to forget her past, Simone takes a chance on Clyde, and ends up making the biggest mistake of her life. Why? Because she just learned that he infected her with HIV. This debut novel by author T.M. Williams is an emotional page-turner that will keep you engaged until the shocking conclusion.
